Examiner's Comments:

It is noted that upon review of the instant IFW application, it was determined that not drawing sheets filed on 1/17/00 were present. However, inspection of the transmittal letter of the application submitted on 1/17/01 indicated that it contained a true copy of the parent 09/515,124 including oath and declaration and drawings. The drawings filed on 12/2/04 as replacement drawings in the instant application were the same as those present in 09/276,820, parent of 09/515,124. Accordingly, drawings submitted on 12/2/04 have been accepted by the examiner. However, Figure 21 requires a minor correction. It's missing "A" and "B" for the two panels of the figure. It is noted that the specification has description for figure 21 A and B. A replacement sheet for figure 21 is required.
